#### HERE AND THERE

The Croswell Jeffersonian is now being set by a new linograph typesetting machine.

The Mayville school was closed last week on account of a case of diphtheria in town.

Another poultry show will be held early in December at Inlay City by the Poultry Association.

The Lillian Lyons Dramatic Company, which played in Yale a few weeks ago, disbanded at Elkton last week.

T. J. Anketell will build several houses to rent, on his vacant lots in Croswell. There is a great demand for houses there.

Ester Schoof, an Inlay City girl left last week for Portland, Oregon, where she will become the bride of Arthur McDougall, of that city.

George Kerslake of Croswell, celebrated his 87th birthday on Friday last by having all his children with him, and by enjoying a 15 mile auto ride.

One woman in Tuscola county has taken out a hunter's license. Her name is Alma Ridgman. Irene Lee, of Sanilac county, has also received her license.

For the second time in the history of Sanilac county, a grand jury has been summoned to hear evidence against violators of the local option law. It is probable that indictments will follow.

Today, Thursday, October 21, 1915, the new building of the First National Bank at Capac is opened for business, and three evenings it will be open to the public for visit and inspection. It is a magnificent building.

Croswell has some enterprising kids who put up each year an exhibition known as the "Kids' Fair." It is something on the order of the usual fair, in kid size and style, and is always worth seeing. Admittance fee is a nickel.

Using a friend's motorcycle for a little joy ride, Howard Rose, a young man of Argyle, ran full speed into a heavy iron road construction wagon, wrecking the machine, and giving himself a badly lacerated face, a fractured jaw and other injuries.

An ordinance has been adopted by the Port Huron city commission which virtually bars peddlers and canvassers. The ordinance provides that each canvasser and peddler who has not resided in Port Huron for sixty days must undergo a medical examination for contagious diseases and must also pay a fee of \$10 the first day and an additional fee of \$7.50 for each following day.

The political pot at Minden City has boiled over again. The village election contest of last March was on trial last week at Sandusky. The former village clerk was ordered to bring the ballot box which was not forthcoming. He said he had chucked it into the coal shed and it developed that the ballot box had never been locked during election. Judge Beach ruled that the village election was illegal on that account, that neither L. H. Reidel, who claimed the presidency of the village on a recount, nor G. E. Meredith, his opponent could be confirmed, and all official business done in Minden City since March is probably illegal.

### The Woman's Benefit Association Of The Maccabees

The Largest, Strongest, and most Progressive Society of Women in the World.

Non-political and non-sectarian. Offers more opportunities to women than any other society. Good training and future success, love of humanity and protection of helpless little ones.

A splendid opportunity for broad-minded and sympathetic women to join this great fraternal chain of one hundred and eighty-six thousand women banded together for the betterment of their own sex. This Organization has a national reputation for this great work in the interest of women, and has already paid into homes of deceased and distressed members over twelve million dollars, every dollar going into some home in time of want and distress. We cannot begin to record the deeds of loving kindness and sympathy that have gone hand in hand with these disbursements.

This Organization has risen to high position in Fraternal Insurance through the hearty co-operation of its members and has built up by the management of its officers, a reserve of over eight million dollars.

The Woman's Benefit Association of the Maccabees was founded in Michigan by Michigan women in 1893; the cornerstone of its own building, laid in Port Huron, October 22, 1915, being the first woman's benefit association in the world to erect its own building.

Your loved ones are protected by our death benefits; we will see that you have proper burial with our burial benefits. We will take care of you when sick through sick benefits and hospital service.

**First in Fraternity, First in Stability  
First in the Hearts of its Members**

We want a competent woman to act as organizer in this locality. For further information write Mrs. Alberta V. Droelle, Grand Commander for Michigan, 411 St. Aubin Ave. Detroit, Mich.
